For refugee students grades K-12, the gifts of pencils and paper can make all the difference as they begin the school year. While Arizona schools are working hard to ensure students can learn from home, many refugee children don’t have basic supplies easily available in their homes.

LSS-SW needs your help in collecting the following items:

- Ballpoint pens & pencils
- 3-ring pencil pouch
- Crayola washable markers (fine point)
- Oxford ruled index cards
- Wide or college-ruled loose leaf paper
- 5-tab binder divider
- Oxford composition notebooks
- Back packs (with padded shoulder straps)
- 1 inch, 3-ring binders
